

Does he really need a new tie?

Give him something that will mean more and last longer.

Is there a better day than Father's Day to honor the special men in your life....husband, father, son, brother, son-in-law, friend. Have you always wanted to do something meaningful for him.... and help your community?

For a donation of \$25 per honoree (or \$100 for five honorees) a card will be sent in your name, letting the Extraordinary Men in your life know how important he is to he is and that a donation has been made in his name to support **The Westport Woman's Club Food Closet.**

So that your honoree will receive his card in time for Father's Day, please send your list of names and addresses plus your check payable to Westport Woman's Club **no later than June 10th to:**
