

Karen Center – 2009 WWC Nominee
For The Voluntary Action Center of Mid-Fairfield Annual Award

The Club has nominated Karen Center as the member who has made a special contribution to our organization. Karen, our Food Closet chairperson for 10 years, organizes the food donated from members, the community, and mail carriers' annual food drive. When Westport's Department of Human Services requests food for a family in need, Karen and her committee are always available to deliver bags of food to the social worker at Town Hall. We appreciate Karen's tireless efforts and caring nature in providing over 300 bags of food each year.
