PRESIDENT'S LETTER

Dear Fellow Members,

May is a very busy month for the Club and a time of transition. In keeping with the bylaws, the elections for new officers and directors will be held at the May 2 Club Day. I want to thank Nominating Committee Co-chairs Audrey Rabinowitz and Josephine Laska, along with their committee members Rose Jordan, Barbara Raffel and Dorothy Packer, for pulling together such an impressive ballot of nominees for next year's Board of Directors. Clearly, the Club will be in very good hands. There are a number of people who will be stepping down from the Board at the end of June and whom I would like to recognize for their exceptional dedication: Susan Cugliari (3rd V.P. for Ways & Means), Pat Voris (Secretary), Anne Hunt (Treasurer), Denise Kuendig (Communications), Carol Goetz (Curio Cottage), RuthAnn Carroll and Conchita Cassell (House), Joyce Netherton (Parliamentary Advisor), and Dorothy Curran (Yankee Doodle Fair). I want to thank these and all the other members of the Board for their hard work and commitment to the mission of the WWC. It has truly been a pleasure and an honor serving on the Board with each and every one of you. The newly elected Board will be inducted and take the oath of office at the June Club Day, so all members of the 2011-2012 Board should plan to attend and stay afterward for a group photograph.

All members should remember to bring their checkbooks or extra cash with you to the May Club Day to take advantage of the Garden Department's plant sale. Mary Lee Clayton and the Department have been working hard to pull together a very special collection of plants and gift items. Even, if you aren't planning to stay for lunch, you should definitely make an effort to come by to shop. This is an opportunity you will not want to miss. On the Ways and Means Front—a big thank you to Jo Fuchs Luscombe and her committee for the outstanding job they did coordinating the Brooks Brothers Fashion Show.

It was a great event, and the money earned will help fund this year's grants and scholarship programs. We are going into high gear for this year's Yankee Doodle Fair, the Club's largest and signature fundraiser. I hope every member will get involved by selling raffle tickets and volunteering in some other capacity to help make this year's Fair the biggest and best so far. Thanks to the efforts of Dorothy Curran and Mary Lee Clayton and their YDF Committee the plans for the Fair are coming together nicely, but it will take every member's participation to maximize our fund-raising potential. The more we raise, the more we will be able to give out in grants and scholarships next year.

Happy spring!

Mary Vickery

YANKEE DOODLE FAIR

All Club Members invited:
YDF Meeting
WEDNESDAY, MAY 4th
10:00am in the Living Room

Please come join us to help finalize plans for the June 16-19, 2011 Yankee Doodle Fair, our Club's largest annual fundraiser!

We have a FUN open volunteer slot: Sand Art Coordinator. You would order supplies (colored sand and jars), help with set-up (with our helpful set-up crew) and oversee volunteers. No bending or lifting required.

RAFFLE: Get ready to buy and sell these tickets. We have our usual great raffle prizes:

First prize: \$1000

Second prize: \$500 Gift Card, redeemable at Brooks Brothers.

Third prize: \$260 jewelry set and \$50.00 gift card redeemable at Lux, Bond & Green

Fourth Prize: \$150 pair of tickets to Westport Country Playhouse

We can't say this enough: Raffle is our hedge against 4 days of rain. The more we sell, the better prepared we are in case of a hurricane (and, yes, that did happen once!).

See you the 4th!

Mary Lee Clayton
Dorothy Curran

PROGRAMS

Natalie Ryshna Maynard, concert pianist and educator, will talk about the life of Olga Samaroff Stokowski, the "Eleanor Roosevelt of classical music in America." Ms. Maynard contributed to and performs in the recently released DVD "American Virtuoso" about Olga Samaroff Stokowski, who summered here in Westport in the 1940's and prepared her Juilliard students in a rehearsal barn on North Avenue. Olga Samaroff Stokowski became the most famous woman concert artist of her time. She actively promoted the career of her husband, conductor Leopold Stokowski, and was largely responsible for catapulting his conducting career to international acclaim.

Ms. Maynard attended the Philadelphia Conservatory of Music, and won a seven year Fellowship at the Juilliard Graduate School of Music to study piano with Olga Samaroff Stokowski and Sascha Gorodnitzki. She will share some of her personal memories of Olga Samaroff Stokowski and the musical era she influenced.

“Sister Act”

Wednesday, May 25th

“Sister Act” is coming to Broadway after a record-breaking, award winning run on London’s West End!

“Glorious fun! A truly engaging musical comedy with terrific score by Alan Menkin. One leaves Sister Act feeling blessed!”

Charles Spencer, The daily telegraph.

All the tickets to “Sister At” have been sold, however, we need a await list as we have already started to receive cancellations. Remember, it costs nothing to be on the wait list. But we do need your check, it stays in the office until there is a cancellation. If and when there is a cancellation, you are called; if you are still able to make the trip, your check is then deposited in the bank.

Cost of this theater trip is \$109.00 per person. The bus leaves from the lower parking lot at 9:30 am Wednesday, May 25th. Your tickets will be ready for pick-up from the Woman’s Club office starting Thursday, May 19th.

Brooklyn Botanic Garden
Brooklyn Museum
Lunch at Café Apertivo
Wednesday June 1st

The Brooklyn Botanic Garden started as an ash dump in the late 1800’s. In 1897 New York State Legislation reserved 39 acres for a botanic garden and in 1910 the Garden was founded. Today there are 52 acres containing at least 12 specialty ‘gardens within the Garden.’ There is a Bonsai Museum, 3 climate- themed plant pavilions, a white cast-iron and glass aquatic plant house and an art gallery.

There are over 200 cherry trees of 42 Asian species in the Cherry Esplanade. The Cranford Rose Garden contains over 5,000 bushes of nearly 1400 kinds of roses and there is a Magnolia Plaza. See their website www.bbg.org

The Brooklyn Museum housed in a 560,000 square foot, Beaux-Arts building, is one of the oldest and largest art museums in the country . Its world renowned permanent collections range from ancient Egyptian master pieces to contemporary art, and represent a wide range of cultures.

We will have a guided tour with docents at both museums. Lunch will be in Park Slope at an Italian restaurant. Cost of this trip is \$85.00 per person. As of this writing there are 5 open spaces available. The bus will leave at 8:45am from the lower parking lot and return about 6:30pm

CURIO COTTAGE

We have TWO big needs for the cottage. Since our Tag Sale was so successful we are a bit low on merchandise, so please bring your spring cleaning items and also share info about the Cottage with friends or neighbors who are having tag sales. Donations needed!

The other great need is for more volunteers. We are sadly saying Good Bye to Dorothy Abrams as she moves to be closer to her son, and wishing Rosalie Puglia continued improvement as she heals. These two spots need to be filled and we have a few other permanent workers who are preparing to move. So, either as a permanent worker, or as a sub, please let me, Jackie Froelich, or Colleen know if you can be a volunteer. We promise you a lot of fun, and new friends.

Karen Eickhoff and Curio Cottage Committee

TOURNAMENT BRIDGE

SOCIAL BRIDGE

Please call me if you are interested in signing up to “SUB”.

Spring into Summer Luncheon/Fashion Show

Thank you to all who participated in our recent Luncheon/Fashion Show Fundraiser. A wine reception preceded a delicious lunch prepared by Chris Negrin of 'In Good Taste'. Music by Ted Simons set the stage for our lovely member models and the handsome young men who escorted them (sons of our members)...all attired in the very latest Brooks Brothers fashions. The floral arrangements provided by our very own Garden Club could not have been lovelier. Prizes, photo opportunities, and gay conversation made for a most pleasant afternoon. I could not have asked for a more hard-working and efficient committee, assisting every step of the way and insuring a successful day. Honorable mention to Paul Cohen (who produced the programs) and Vincent Debo and John Luscombe who dispensed wine which was generously donated by The Greens Farms Liquor Store.
